## Education

**PhD Candidate, Ecology and Evolutionary Biology, Environmental Science** 2012-present  
Iowa State University, Ames GPA: 3.83  
Dissertation: “Late Quaternary Paleoecology of the North American Midcontinent”  
Advisors: Dr. Lynn G. Clark and Dr. Alan D. Wanamaker

**Bachelor of Science, Environmental Science** 2008  
University of Washington, Tacoma GPA: 3.72  
Thesis: “Evaluating Conditions in In-Situ Mesocosms”  
Advisor: Dr. Bonnie J. Becker

## Teaching

*Indicates redevelopment or co-redevelopment of existing course*

**Indicates development of new course**

|  |           |
|--|-----------|
| Teaching Assistant - Biol 312L: Ecology Laboratory, field and laboratory components                        | 2018-2019 |
| Teaching Assistant - Biol 212L: Principles of Biology Laboratory II  | 2019      |
| Instructor - EnSci 490: Independent Study  | 2014-2018 |
| Instructor - <b>EnSci 203: Exploration of Environmental Science</b>  | 2014-2018 |
| Instructor - <i>EnSci 202: Exploration of Environmental Issues</i>   | 2013-2017 |
| Instructor - <b>EnSci 204X: Applied Exploration of Environmental Science I</b>                             | 2015-2017 |
| Instructor - <b>EnSci 205X: Applied Exploration of Environmental Science II</b>                            | 2016-2017 |
| Instructor - Biology 486xw: Aquatic Ecology Online   | 2016      |
| Teaching Assistant - Biology 394: Study Abroad: Maya Mountains & Calabash Caye, international field course | 2015      |
| Teaching Assistant - Biology 486xw: Aquatic Ecology Online   | 2013-2015 |
| Instructor - <i>Biology 486L: Aquatic Ecology Laboratory, field and laboratory components</i>              | 2013      |
